### ***Minimum Balance Requirements for Regular Share Certificates and IRA Certificates***

Certificates require a minimum balance of \$1,000. Dividend rate is guaranteed for the term of the certificate. Penalties will be charged for early withdrawals. There is no penalty for minimum required distributions on IRA Certificates withdrawn at age 70½ or older. The annual percentage yield (APY) is based on the assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

**Variable Dividend Rates** – If a dividend rate is marked “variable” or “v”, the dividend rate(s) and APY may change, and we reserve the right to change the rate(s) at our discretion. If a rate is not marked as variable, it will be paid for the term of the account. Any fees charged to the account may reduce earnings.

\* Qualifying criteria must be met monthly to avoid a monthly service charge on this account.

\*\* Bonus available for new certificates where the funds are not currently on deposit at ESCU.
